Dr James L. Wilson's Dietary Supplements

Dear Healthcare Practitioner:

Your patient printed this information for you because he or she is interested in the exceptionally effective **Future Formulations** supplements created by **Dr. James L. Wilson**, distributed exclusively through **Immunogenics Company of America (ICA)**.

Dr. Wilson, author of *Adrenal Fatigue: The 21st Century Stress Syndrome*, combines his depth of knowledge, science and 28 years of clinical experience to formulate very unique dietary supplements expertly targeted to be clinically effective for specific health concerns. The keys to a successful supplement are the quality and physiological compatibility of its ingredients as well as its ability to support and strengthen the body's own natural processes. Recognizing this, Dr. Wilson formulates high quality supplements that provide optimal results in the most natural ways possible.

Our mission is to help healthcare practitioners improve their patients' health by providing dietary supplements that truly work. These supplements have been evaluated by other physicians for their effectiveness and are backed by a **90-day, unconditional guarantee**.

As a professional, you can order our supplements at wholesale prices by setting up an account with ICA. We carry supplements formulated by Dr. Wilson for:

- Adrenal Fatigue and Stress
