

FUTURE FORMULATIONS, LLC

NUTRITION AHEAD OF ITS TIME

Dear Healthcare Practitioner:

Your customer or patient has printed this information for you because they are interested in the natural, effective and high-quality supplements from **Future Formulations**.

Immunogenics Company of America was created in 2002 by Dr. James L. Wilson, author of *Adrenal Fatigue: The 21st Century Stress Syndrome*, to distribute affordable, high quality nutritional products that truly improve health. The **Future Formulations** brand is known for its extremely effective and targeted products where all of the formulations are designed by Dr Wilson and must meet the requirement that they produce optimum results.

In addition to **Dr Wilson's Program for Adrenal Fatigue and Stress**, we also carry products designed for other common health conditions:

- Adrenal Fatigue and Stress
- Energy Boost
- Thyroid Support
- Skin, Hair and Nail Health
- Natural Motion Comfort
- Immune Support
- Blood Sugar Health
- Stomach and Intestinal Health
- Aging
- Books and Audio Lectures

As a healthcare practitioner/provider, you can easily order our supplements by setting up a Wholesale Distributor account with us.
